even had a nascent kitchen that served matzo-ball soup and salad.

3rd Mime Troupe Appeal Party: Great Society, Grateful Dead at
Fillmore Auditorium - San Francisco, CA

Notes: The third appeal was scheduled for January 14, 1966, the
first one to charge admission rather than request a donation. It was
after the third benefit, that Graham knew that he wanted to do more
events like these, and like many of his partygoers, the heck with
having to raise money for a cause. This event marked the first
appearance of the {Warlocks} as the {Grateful Dead}. Bill Graham

Original poster FW / CP031337 / NM11287

Notes: Bill had asked me to do a quick lettering poster for these shows, as the artist that was working on the regular poster BG276 was running late getting it to the printer. This is how the straight information poster started for Bill Graham Presents in San Francisco. I believe it's the first information type poster for the Fillmore West, Winterland, Civic Auditorium. Bill needed this right now! I didn't have any time to do this so I just used the formula lettering that I had been using as I was very busy with other posters, so it had to be simple. There was only a poster produced in very limited number until the official poster came out with handbills and all, There was no handbill produced of this image.

They were supposed to print a poster and handbill, but the handbill was the only thing printed. The central image was their logo.

Notes: The first Austin Powers movie had just been released
and the clients wanted something like that, flower power-ish, so
this is a takeoff of Austin Powers. This was a Bill Graham Special
Event, for a graduation party at the Fillmore Auditorium, but it had
no number and was only printed as tickets and an invitation for the
event. I believe one or two big posters were produced.

Artist: Randy Tuten

Venue: Fillmore Auditorium - SF

Items:

Notes: The band asked Bill Graham Presents to hire me to design a poster because they liked my work. The drawing of Mount Rushmore with revolutionaries (Che Guevara, Zapata, Angela Davis & Malcolm X) instead of presidents was at the suggestion of the band and was done by Whit Clifton. We completed the job, but the band kept cancelling for one reason or another. The concert was canceled twice, and never actually took place.
