Notes: This was a playbill type book for the Winterland  
Productions shows for the month of october based on the Bill  
Graham's Fillmore East show booklets. All the shows in the booklet  
were in the month of October. There were only two of these books  
produced this being the first. I design the cover as well as the  
layouts of inside pages. I wasn't sure what to do for the cover so I  
used a Drawing/collage of crazy things including a street signs that  
say Post & Steiner streets in San Francisco. That's where Winterland  
used to be. They must have liked it they asked me to produced one  
for November shows as well.

Notes: Winterland Productions was started by Paul Beratta, Dell Furano and Dave Furano. Paul was Bill Graham's right hand man in the early days he left Bill Graham Presents to start Winterland Productions as an alternative to The Fillmore and of course make some money on his own. This was there second show and poster no.2. the first show and poster No.1 was Jefferson Airplane, Grateful Dead, Hot Tuna and The New Riders of the Purple Sage, October 5th & 6th, Sunday & Monday at Winterland. David Singer did the poster and these two were printed together. This would have been a better poster had a more intrested band been headlining as it was Mason-Cass were couldn't make it was replace by The Four Tops with the other acts. A handbill with red lettering on white paper was done for the Four Tops show only. After this all Winterland posters were photos with my lettering. It was to bad this was a very nice looking poster, but who cares about Mason-Cass band. Anyway the Winterland people must of like it they had me do the rest of the series of posters until they went out of business and Bill Graham took over.

Notes: Bill had asked me to do a quick lettering poster for these shows, as the artist that was working on the regular poster BG276 was running late getting it to the printer. This is how the straight information poster started for Bill Graham Presents in San Francisco. I believe it's the first information type poster for the Fillmore West, Winterland, Civic Auditorium. Bill needed this right now! I didn't have any time to do this so I just used the formula lettering that I had been using as I was very busy with other posters, so it had to be simple. There was only a poster produced in very limited number until the official poster came out with handbills and all, There was no handbill produced of this image.

Notes: This was the last published design for Winterland  
Productions. They had this show so they ask me to go down to the gym  
and pic up a photo of Joe Frazier now if you were sent down to pic  
up a picture of Joe Frazier at a gym, you'd more than likely think  
boxing, but they wanted a picture of Joe in a tux singing! now I  
didn't know Joe could sing so I got a hold of this photo. Well when

they saw this!. there was another poster printed with Joe Frazier in a tux singing it was printed in deep red ink on yellow paper. Both have the same design but different photos. both are hard to find.

Curtis Mayfield, Muhammad Ali at Winterland - San Francisco, CA

Artist: Randy Tuten

Venue: Winterland

Items:

Original poster WIN / CP031340 / NM11290

Notes: A few weeks before they, Winterland Productions had a Joe Frazier show at Winterland and the show bombed so they cancelled this show which would have been the better show a great show. It was called Soul Together there would have been photos of Curtis Mayfield and Muhammad Ali. There were to be three shows. The first one at Richman Memorial Auditorium, Friday May, 21st. The second one at Winterland above. The third one at Oakland Civic Auditorium, Sunday May, 23rd. this was to have a psychedelic boxing poster look to it. I was sorry to see this show cancelled. After this Winterland Productions was taken over by Bill Graham Presents. This is a picture of the original art without photos.

Notes: This was an admat that the Who sent out to promoters was just the flag and Who '76. I just hand lettered the date and venue and stack the information about tickets. the boarder holds it all together. At the end of the press run the printer had some gold card stock and so we put that in the press. Bill Graham like it so much he wished he had done the whole run that way they weren't more than 50 of the gold ones bottom image.
