

I requested Ven. Khenpo Karthar Rinpoche to offer the Vajrapani empowerment, which Rinpoche has never offered in this country. Rinpoche then travelled to Big Rapids, Michigan to the Heart Center KTC and gave tempowerment. There are not many copies of this sadhana available. This is my copy, a little worn, which I took to Tibet in 1997 and His Holiness the 17 th Karmapa, Ogyen Trinley Dorje, look over. This is his fingerprin on the first page Michael Erlewine
