Artist Rights Today Set of Four Signed \$1300

Notes: Artist's Rights Today \$1300  
This is a set of four posters, for the first three Artist's rights benefits, in San Francisco for the rights of artists. These posters are very undervalued. Where else can you get the signatures of Rick Griffin... Wes Wilson, Alton Kelley, AND Victor Moscoso? Where can you get Griffin's signature at all? This set includes all three main posters, plus the alternate color version for the 2nd event, and all four posters are signed by all four artists. Better yet, these are gorgeous posters, perfectly printed on the best stock, and large.
