

## MOSTLY MOSSES

April 26, 2011

By Michael Erlewine ([Michael@Erlewine.net](mailto:Michael@Erlewine.net))

Still mostly cool, some sun. The mosses are tough, resilient, bright, and delicate, but tough to photography (at least for me). And rain. It is raining now, all night, and supposed to rain more for days to come. It means the morel mushrooms will be up.

Nikon D3s, CV-125, stacked
