Composers Concepts 1978 at the Paradise Theater

Notes: Gary Grimshaw: Allied Artists came along first, which turned into MSA, which was originally M? Sinclair. He had an investor named MR. Morda, I forget what his first name. And that's what that was. This was probably done by Frank Bach. He was the lead singer of the UP and John Sinclair's good buddy and a graphic artist. It looks like exactly something he would put together.
