MC5, Zenta at Straight Theater - San Francisco, CA

Notes: The originals says "The Rip Off Press" and "Gary Grimshaw," at the bottom of the poster.

The reprint says (c) 1969,1997 Gary Grimshaw, "A Big Production, Printed by the Firehouse Gary Grimshaw" in black, under the art. Reprint is 6-color silkscreen, signed and numbered edition of 263, printed by the Firehouse, S.F.

Gary Grimshaw: I lived in Marin County, in Mill Valley. That was printed by Ripoff Press, which did comic books, basically. It was Gilbert Shelton and a couple of other people ran the Ripoff Press. And that printed the day before the show in this warehouse printing operation. I think they were just all used for advertising. I can remember me, and John Sinclair, and a couple of other people standing around in this print shop the day before, crankin' them out. But I reprinted that myself with the Firehouse guys as a 6-color silkscreen. I had time to do it right. But the original was just jammed out. I think the reprint looks ten times better than the original.
